From the Chairman's Desk

There is no secret to success, it is the result of preparations, hard work and learning from failure:
Colin Powell

As the Chairman of Rainbow English School, I extend my warmest greetings to all of you. It is with great pride and enthusiasm that I address you all, reflecting on our shared journey of growth, achievement and progress.

Life is like a journey and it is all about learning..... which starts from the first tread into the larger world where a child prepares to combat the challenges of gigantic world. Success as we know is not a mere destination but a journey. The road to success is not always smooth. It is often marked by setbacks, obstacles and failures. It is these challenges that truly define our character and shape our journey. It is in the moments of adversity that we learn valuable lessons, gain resilience and grow as individuals.

We, here at Rainbow English School try to mould the character and mental ability of our children, instil basic principles of life in them and nurture their individual capabilities to the fullest. We believe in fostering an atmosphere that value curiosity, creativity, and the joy of discovery thereby embracing technology and innovation, enabling students to explore the vast world of information at their fingertips.

Our vision extends beyond our school gates. We aim to create a network of engaged parents, committed educators, supportive community, working together to provide a nurturing and enriching environment for our students. Our school's vision is not just a dream; it is a roadmap for our journey ahead.

We, at Rainbow English School, believe that education is not just about instilling values and acquiring knowledge, it is also about developing character. We aspire to instil values of integrity, empathy, and social responsibility.

Together, we can achieve greatness and can inspire the next generation to embrace their potential and contribute positivity to the world. Let us remain committed to our mission of nurturing young minds and spirits of next generation, thereby, fostering a culture of inclusion, respect, and preparing our students to be responsible, compassionate, and confident individuals who can contribute to the betterment of society.

I have the utmost faith in our collective ability to shape a brighter future for our students and for the world. I would like to express my heartfelt gratitude to our dedicated staff, students, and their families for their unwavering support and commitment to our school community. Our students, the leaders of tomorrow will continue to inspire us with their curiosity, creativity and courage. Our staff, the pillars of our educational foundation, persist in their tireless pursuit of knowledge and excellence. Our parents and supporters are the bedrock upon which our success is built, offering the encouragement and guidance that our children need to flourish.

Let us, inspire, empower and uplift one another and together we will achieve greatness !

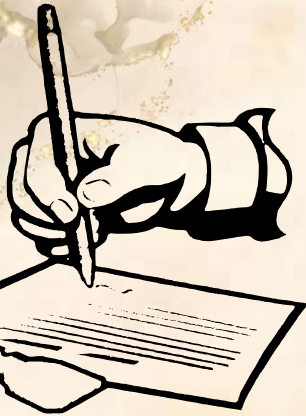

Wonderful thanks to all and may our school always be a place where dreams take flight and futures are built.

With gratitude and hope!!

From the Principal's Desk

“What makes a child gifted and talented may not always be good grades in school, but a different way of looking at the world and learning.”

I feel elated , and a sense of pride to share with you the latest edition of our news letter “VIBGYOR” . The academic year 2022-23 witnessed outstanding academic results, remarkable achievements and some well organised events and activities.

The school has completed its 40 successful years and over these years it has provided ample opportunities to the students to explore and grow through situations that could provide them scope to identify their strength and reinforce them. I feel extremely honoured to be part of this magnificent school which empowers the children to explore beyond the textbooks and become lifelong learners.

“The aim of education is the knowledge, not of facts, but of values.”

I strongly believe in holistic education for our students which includes - academics, co-curricular activities , sports education and life skills learning . We sincerely and diligently prepare each child for today's cut throat competition so that they can make a mark for themselves in all spheres of life. ' Honest Labour Pays' is what we believe in. We teach our students to be honest in their endeavours in order to reach their goals and get success. As a Principal of the school, I always emphasize on building the best environment for the children which is safe and inductive to learning.

As you flip through the pages of the magazine , you would get the glimpses of the activities and achievements of Rainbowites. The reflection of teachers and students' creativity is the epitome of the magazine. We , at Rainbow, ensure that talent and ability of each child is nurtured so that they can touch the heights of success.

I would like to acknowledge the hard work and dedication of our competent faculty in all our endeavors . The selfless service of the members of our staff and the interest and inquisitive nature of the students to learn more and more have enabled us to achieve what we are today. We have overcome hurdles, challenges , celebrated Triumph and learned valuable lessons.

I extend my gratitude to the enlightened parents and guardians for their constant support and understanding. I would like to assure that with their cooperation we can achieve much more.

I wish my students a very bright future and hope that the students will scale greater heights of success and be a good citizen of the country. I am quite confident that each Rainbowite will grow as a strong , reflective and humble individual and make us proud with their achievements.

Message From Headmistress

“Rainbow English School: Illuminating Minds, Nurturing Hearts, and Inspiring Tomorrow's Leaders.”

The academic session 2023-24 was notable for academic prowess, innumerable achievements, well organised school events and activities.

It gives me immense pleasure and ecstasy to share with you the latest edition of the school magazine. This annual publication serves as a window into the vibrant world of our school , a world filled with the energy and aspirations. It showcases inspiring anecdotes, academic triumphs and artistic creations and innovations that highlight the remarkable spirit of our students and educators.

Our success is a testament to the dedication of our team, it's a reflection of our commitment to learning, growth and collaboration. This place is a paradise where dreams take shape, where young minds are raised, and where characters are nurtured. I have the privilege of witnessing the incredible journey of our students, teachers, and staff. Every day, I'm inspired by their unwavering commitment to excellence.

I perceive a galaxy of disparate talent and indefatigable hopes around me to nourish, nurture and navigate and impart soulful education. Standing on the threshold of an era where digital learning is the means and moral grooming is an end, I recognise the need of delivering meaningful education to the students . I look forward to place high value in the teachers creating a rapport with their students and simultaneously adopting a combination of constructive, participative and elective teaching methods to create an ever lasting effect on the young minds. Let's carry forward the spirit of adaptability, resilience, unity and excellence into the future.

I express my heartfelt gratitude to each and everyone for being the soul of the school. Together we will continue to inspire and empower the leaders of tomorrow.

Welcome to a place where possibilities are limitless.

Warm regards

Ms Sonia Kashyap
Headmistress

MESSAGE FROM ACADEMIC IN-CHARGE

“Teaching kindergarten is about creating a love for learning that will last a lifetime.”

Being a pre school educator, I understand that students, believe and trust the people around them for each and every thing....and this belief of the little ones make our duties more important towards them. Each child has specific interests and needs which we have to recognise and value.

Knowing the child and providing him/her with the right opportunity is the duty of an educator.

There are very few important aspects on which we should emphasize to give our students firm foundation:

- Develop the habit of working independently.
 - Always focus on self-help skills.
 - Give them responsibilities.
 - Tell them to set their routine and follow it.
 - Engage the child in meaningful literacy activity and reduce the screen time.
- Last but not the least inculcate the habit of reading in each and every student.

We, at Rainbow School are focusing on all these aspects and trying to bring out the hidden talent and strength of our students.

Through out the year we plan number of activities like:-

- Talent hunt.
- Colours Week
- Celebration of National and Religious festivals.
- Craft Activities.
- Class Parties
- Excursions
- Sports Activities

In this rapidly changing world always tell your child “ You can do everything.....You just need to believe you can”.

MESSAGE FROM ACADEMIC IN-CHARGE

"Education is the treasure map that guides students on a thrilling journey to discover the riches of knowledge and wisdom."

An educational institution aims at teaching students not just to live but to reason and analyze life.

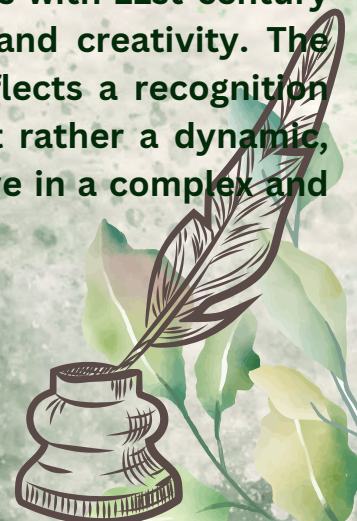

Rainbow was established with an objective of providing an outstanding 360 degree education in character building, leadership, academics and co-curricular activities with the support of a very strong, dedicated and capable team of educators who became the driving force in the growth of the school.

To achieve this, we must provide students with a platform to think, express, and showcase their talents. At Rainbow English Sr. Sec. School, we strive diligently to instill robust values alongside academic rigour and extracurricular pursuits, fostering all-round development.

In the ever-evolving landscape of education, teaching methodologies play a pivotal role in shaping students' learning experiences. Traditional methods are gradually giving way to more innovative and student-centric approaches. However, in recent years, educators have been exploring a wide array of teaching methodologies that cater to diverse learning styles and preferences.

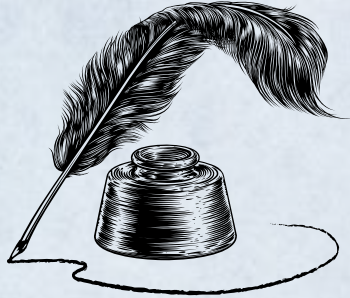

Modern teaching methodologies are designed to equip students with 21st-century skills, such as critical thinking, communication collaboration and creativity. The shift towards more innovative, student-centric approaches reflects a recognition that education should not be a one-size-fits-all endeavour but rather a dynamic, adaptive and inclusive journey that empowers students to thrive in a complex and ever-changing world.

MESSAGE FROM ACADEMIC IN-CHARGE

“Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents.”

At Rainbow, we do not admit children, we adopt them. The school motto corroborates the vision of inculcating ethical values among the students. It has been an endeavour of the school to focus on the holistic development of each and every student. Our goal is to build the youth for the future, to empower young minds who can bring a positive change in the society and can tackle the real challenges of the world beyond school.

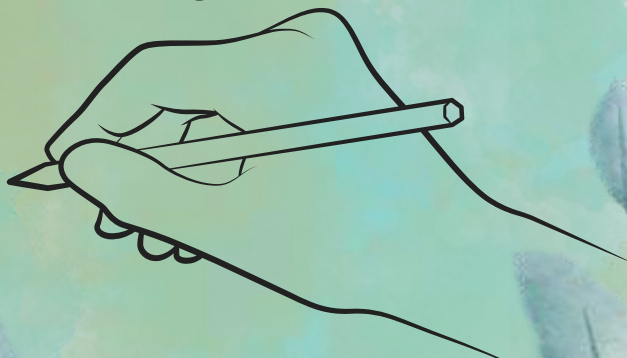

The move from primary to middle school is a major milestone for a child. It's a time of big changes in their physical, emotional and mental well-being. We prepare the children to face these obstacles using their own intellect. Students of middle wing are encouraged to participate in a variety of activities, as well as are provided with the best possible environment, with competent guidance and world-class resources.

We, at Rainbow are committed to make learning enjoyable experience through an integrated approach. A team of skilled, highly dedicated and motivated teachers are always ready to extend their support to the children.

We firmly believe that education is a three-way partnership between students, parents and teachers. We are ardent to fostering excellent relationship with parents to ensure their very best support. We pay our gratitude to them for their faith in us.

We are confident enough that the Rainbowites will make themselves stronger day by day, adding a new leaf to the grandeur of the school.

MESSAGE FROM ACADEMIC IN-CHARGE

'Education is not only about acquiring knowledge of facts, rather it's taming the mind to think, to explore and to workout with resolute determination to reach one's goal.'

I feel proud and privileged to have been entrusted with the responsibility of being an integral part of an educational institution where management, staff members, parents and students are very assiduous, passionate, committed, energetic, competent and caring. The system of education has become so dynamic that we need to think out of the box and think beyond a pattern. With this view, we, at Rainbow School, grow day by day with the conviction to provide holistic growth to our children. Hence, our students are offered a wide range of clubs, Inter-Class activities, Inter-House activities, sports and a large variety of visual and performing art ventures where our students can participate in. We organise many co-curricular, extra-curricular activities for the students at District, State and National level so that they make persistent efforts and excel in every field of learning. The students are encouraged to take part in all the internal and external events. We strive to give all the students the opportunity to express themselves through a carefully planned curriculum.

A joyful experiential learning system is one of our major aims wherein, each child is encouraged to participate wholeheartedly. We empower students in such a manner that they can become representatives of a value based nation. Our dictum is that the school should not only cater to pursue academic excellence but also motivate its students to be life-long learners, critical thinkers and productive members of an ever-changing global society.

I firmly believe that proper guidance, counselling and nurturing enable our students to become intelligent, creative, resilient, imaginative, innovative, disciplined, respectful, ethical and above all sincere and dedicated.

I am convinced that the students of our school will keep on scaling great heights and keep the RAINBOW flag high.

MESSAGE FROM ACADEMIC IN-CHARGE

“Intelligence plus character is the goal of true education”

At Rainbow English Sr. Sec. School, we believe that ‘children must be taught how to think, not what to think.’ We provide an inclusive environment where students are encouraged to put their best foot forward to achieve academic excellence. Students are provided with platforms in the form of various Inter Class, Inter House and Inter School competitions where not only the inborn talent of the child is polished to shine but also builds confidence and helps enhance their personality. The potential of the students are channelized by teacher cum facilitators with a holistic student centered approach.

The school provides an environment where a child realizes his worth as a responsible, balanced and valued member of the society; and believes in the concept of creating an ambient future for all. The school leaves no stone unturned to even provide counselling sessions from time to time.

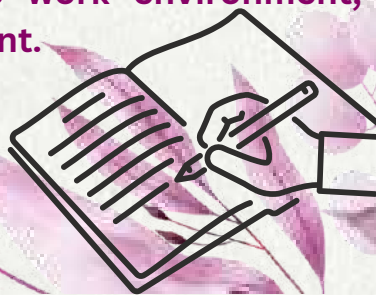

In the technologically changing fast world, the school promises to keep up the pace benefiting both students and teachers by imparting education through smart classes, computer learning and regular orientations and counselling sessions.

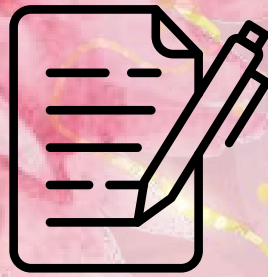

By education, we mean an all-round development of the child, in body, mind and spirit. Role of education in today’s era is not only to pursue academic excellence but also requires overall development of a child. The school organizes scholastic and co-scholastic activities round the year, that promote creativity and innovative thinking in students.

While academic excellence is our major thrust, the school is also devoted to prepare the students for life, groom them to face the challenges of tomorrow and encourage them to be socially relevant.

The school is striving hard to make the best possible efforts to inculcate strong values combining with academics and extracurricular activities in children. I am proud of my school for providing us conducive work environment, infrastructure, use modern technology and freedom to experiment.

NAVNIDHI HOUSE

It is with great pleasure and a sense of pride that I extend my warm greetings to all members of our esteemed school community. As the House In charge of Navnidhi House, I am honoured to contribute to the vibrant tapestry of our school life, fostering a spirit of unity, collaboration, and excellence within our respective houses.

Our school magazine stands as a testament to the diverse talents and achievements that characterize our students. This annual publication serves not only as a record of our accomplishments but also as a reflection of the collective spirit that defines us as a school. Each house plays a pivotal role in shaping this narrative, contributing unique stories, experiences, and triumphs that together create a mosaic of our shared journey.

In the pursuit of excellence, our houses have consistently demonstrated commendable achievements across various domains, be it academics, sports, or the arts. As we embark on the task of compiling this year's magazine, Let us celebrate the victories, both big and small, that have marked our path throughout the academic year.

Moreover, the magazine serves as a platform to acknowledge the unsung heroes among us – the quiet contributors who work diligently behind the scenes. By doing so, we not only honour individual efforts but also inspire others to embrace the values that define our school community. Our diversity is not a source of division but a reservoir of strength that enriches our collective experience.

Let the pages of the magazine resonate with the authentic voices of our students, showcasing the kaleidoscope of talents, opinions, and perspectives that define us. Let the narrative be a true reflection of our journey together, capturing the highs and lows, the challenges and triumphs that have sculpted our shared narrative.

As we plunge into this collaborative endeavour, let us approach it with a sense of camaraderie and a commitment to producing a magazine that truly encapsulates the spirit of our school. Together, let us create a publication that not only documents our achievements but also inspires and unites us as a school community.

CHAKSHU HOUSE

We, at Rainbow, strongly believe that every child is unique and therefore, we focus on empowering our students and highlighting their leadership skills by providing them a platform to enhance different attributes like communication skills, team building and collaborative work.

To foster a spirit of healthy competition, as well as to awaken a spirit of self-reliance and responsibility, Chakshu House conducted plethora of activities.

The House excelled in almost all spheres and the students, with the support of their house teachers put in their maximum efforts. Hard work, perseverance, honesty and passion are the key elements behind the activities conducted by this house.

Orange colour of our House is associated with joy, creativity, confidence, warmth, optimism, energy, strength, passion and determination. Participating in various Inter-House competitions not only gave the students an opportunity to display their talent but also helped them to learn valuable lessons on team work and selfless deeds.

The House successfully conducted events like Teachers day, Janamashtami and G20 Quiz. The teachers and students of our house worked diligently and wholeheartedly in cooperative manner to bring success to our house.

We are grateful to our school management for their constant support and cooperation.

NAVRANG HOUSE

"Navrang House: Where Vibrancy Meets Excellence, and Every Colour Paints a Path to Success."

It is with immense gratitude and a sense of accomplishment that I, express my heartfelt thanks to our esteemed school management and all those who have been part of our incredible journey. The Navrang House has continuously thrived on the principles of excellence, innovation, and inclusivity. We are dedicated to creating an environment that fosters holistic development, and it is my privilege to see this commitment come to life. Throughout the year, Navrang House has been at the forefront of organising a multitude of activities, each with its unique significance. From the vibrant celebrations of Navratri that brought the entire school community together in joyous harmony, to the solemn tribute paid to the Indian Air Force on their special day, we have showcased our unwavering spirit. Our commitment to social causes is evident through our active participation in events such as International Girl Child Day and Global Hand Washing Day. By shining a light on the importance of Women Empowerment and promoting hygiene, we stand united in our pursuit of a better world. We have also taken pride in honouring the essence of our great nation with celebrations like Independence Day, World Athlete Day, National Technology Day, and Mother's Day, fostering a sense of unity and patriotism among our students. The importance of family and togetherness was highlighted through our involvement in the International Day of Families. This reinforced the values of unity, support, and love. All these endeavours would not have been possible without the constant support and guidance of our school management. We are immensely grateful for providing us with the platform and resources to create such meaningful experiences for our students. As we look back on these events and achievements, we are encouraged to continue striving for excellence and creating an atmosphere of learning, growth, and inclusivity. Together, we will continue to make Navrang House a beacon of positivity and inspiration for the entire school community.

Thank you for your unwavering support.

AMBU HOUSE

“All our dreams can come true if we have the courage to pursue them.”

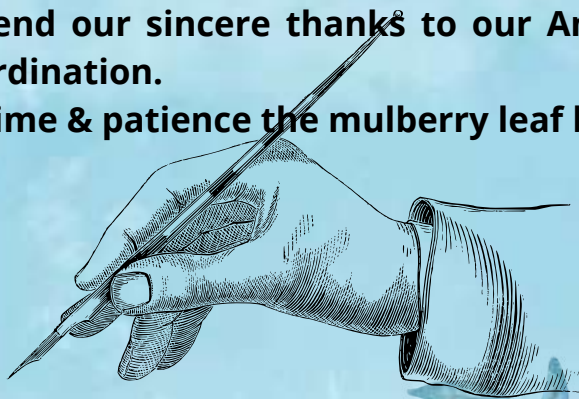

The House System places an important role in the furtherance of cultural and co-curricular activities in the school. With a view to inculcate the spirit of healthy competition amongst students and make them aware of their hidden talents and expose them to various learning situations, Ambu House fosters a spirit of leadership, Co-operation, mutual understanding, tolerance and self-reliance. Various Inter-House activities are organized to build up team spirit. Besides this, the students are initiated into community service and social work. Ambu House excelled in almost all spheres and the students, with the support of their House teachers, put in their maximum efforts in bringing glory to the House. Ambu House students are very determined to be the best and are striving to accomplish the task. Aided by dedicated staff members, and House Captains, Ambu House enables students of different ages to bond together and operate as a cohesive family to a superb school community and spirit. The House competes in different cultural, academic competitions, and provides an excellent way to synergize pupils of different classes and ages, all of whom have a common goal and purpose. This year Ambu House bagged the trophy for the best teachers - students coordination. It is indeed a great success!

Therefore, Ambu House is dedicated & totally committed to provide such opportunities to the students through various co-curricular activities which will be their moral force that would guide them in the future.

We are highly indebted to our School Management and our Principal, for reposing faith in us. We extend our sincere thanks to our Ambu House family for their co-operation and co-ordination.

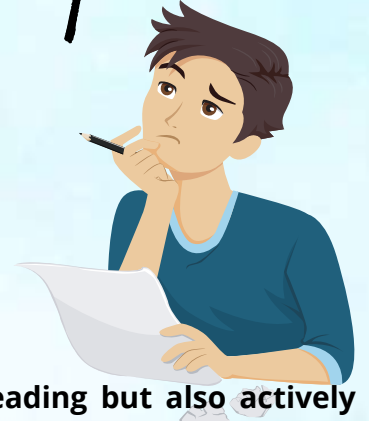

We believe : “With time & patience the mulberry leaf becomes a silk gown.”

Message From School Captain

As the School Captain, I have had the distinct privilege of not only leading but also actively participating in the remarkable growth and achievements of our dynamic school community. Throughout my tenure, I've been continually inspired by the unwavering dedication and infectious enthusiasm displayed by both students and teachers alike.

Together, we have not merely faced challenges but turned them into opportunities for growth, fostering a resilient spirit of unity and collaborative learning that truly defines the unique identity of our school. From academic triumphs to extracurricular successes, we have celebrated victories both big and small, creating a rich tapestry of experiences that shape our collective journey.

This incredible voyage has instilled in me a deep sense of gratitude for the privilege of serving in this leadership role. Looking ahead, it is essential for us to recognize that education is not just a pathway but the key to unlocking endless possibilities. As we traverse this educational landscape, let us remain committed to cultivating an environment where each student is empowered to explore their full potential.

In the words of Ralph Waldo Emerson, "The only person you are destined to become is the person you decide to be." Let's collectively decide to be extraordinary. As we continue to learn and grow, let's consistently strive to be the best versions of ourselves, inspiring one another to reach for the stars and exceed our own expectations.

Our school is not just a place of academic learning; it's a community where character is developed, and dreams are nurtured. With our eyes firmly set on the future, let our collective efforts be a resounding testament to the boundless potential that resides within each of us.

May our unity and determination light the path to a future where we not only achieve personal greatness but also contribute positively to our school and society at large. Together, let's create a legacy of excellence, leaving an indelible mark that echoes through the halls of our alma mater for generations to come.

Message From School Captain

I, Trisha Yadav would like to express my sincere gratitude towards our school management and our principal, Mr Sourabh Kashyap and the teachers for giving me the opportunity to be the school captain of Rainbow English Senior Secondary School. As we all know, school is the second home of young minds where they spend few hours daily with their fellow mates and learn under the guidance of teachers, it's parents' dream that their children have access to the best quality education for personal and professional growth. My belief is that a true leader should first and foremost create a work environment where the importance of teamwork is revered. He/She is the one who needs to instill the fact in team members that no one is smarter than all of us, that success is not about individual goals but about collective pursuits.

I truly feel that we all must make an endeavour to contribute our best towards the making of our school, a name to reckon with, by not only excelling in studies but through a willing participation in various school activities

I feel humbled as the School Captain to uphold, maintain and enhance the glory and prestige of the school by unflinching support of entire school fraternity, unperturbed diligence and unrestrained determination.

I would like to conclude it with a quote that "Leadership is no longer about your position, it's more about your passion for excellence and making a difference and remember that you can lead without a title too."

Message From Head Boy

“If your actions inspire others to dream more, learn more, do more and become more, you are a leader.”

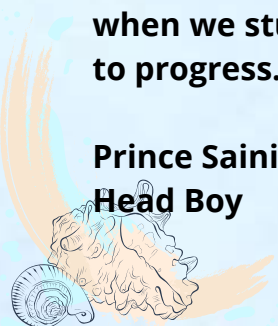

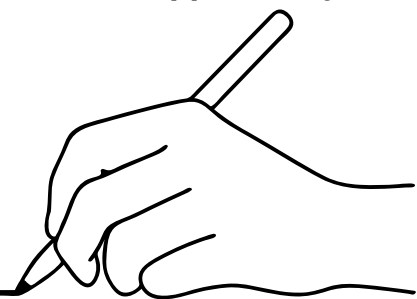

I wish to convey my profound gratitude to our esteemed Principal, School Management and revered teachers for their unwavering belief in my abilities to carry the prestigious title of the Head Boy of the school.

April 4, 2022, marked a pivotal juncture in my life, the day when I embarked on a journey to the realm of academia with the most prestigious Rainbow English Sr. Sec. School. I firmly believe that schools foster the values and guide us for lifelong growth. The lessons we engross in school endure over the years. As time passed, I evolved into a dedicated student, driven by a strong passion for our school. I am indebted to the school management for recognizing my potential for the role of the Head Boy. It's quite apparent that the school has been successful in shaping us into caring and youthful students who will definitely uphold the school's motto - "Honest Labour Pays". The school provided me with numerous chances to refine my abilities and talents. It also furnished a stage for me to cultivate vital life competencies like effective communication, community involvement, and the balance between responsibilities and rights.

Serving as the school's Head boy involves significant responsibilities, including assisting students with their concerns and upholding discipline. Witnessing the students' excel in knowledge and curiosity fills me with pride and joy.

In conclusion, with a strong sense of duty, pride, and satisfaction within me, I'd like to convey to all students that we must remember that our true achievement lies not in avoiding failures, but in consistently bouncing back and triumphing. Therefore, even when we stumble, let's find the strength to rise again, for it presents a fresh opportunity to progress.

Message From Head Girl

**“Leaders are not born,
they are made.”**

I, Niharika Madan, an enthusiastic Rainbowite would like to express my heartfelt gratitude towards the School Management, our revered Chairman Sir, our esteemed Principal Sir, our admired Headmistress Ma’am and respected teachers for investing in me to be the Head Girl for the academic year 2023-24.

Our school has recognized every child as a diamond and worked to polish it to shine with excellence. I feel enormously benefitted from the assiduous management of the school that has moulded me and carved in me a tendency of dreaming to reach pinnacles. Thereby, I look forward from the new generation, the upcoming leaders to confront the status quo at all times, desire more, and unleash themselves in order to explore their Individual potential, and with careful forethought, I seek to unfetter the thinking of the upcoming leaders and my schoolmates.

I am aware, that my actions, shall leave behind vivid footprints, and thus I look forward to inspire my schoolmates through my actions and along with the council members, to take the school to new zenith of excellence with the motto of ‘Honest Labor Pays’.

I have always believed that leaders are created and not born and thus my message to all the upcoming leaders shall be, With integrity, insight, inclusiveness and a relentless spirit we can unlock the hidden treasure of our talents and abilities because a bird sitting on the tree is never afraid of the branch breaking, as its trust is not on the branch but on its own wings!

ATAL TINKERING LAB

Atal Tinkering Lab is a national level programme conducted by National Institution for Transforming India (NITI Aayog) – the premier policy ‘Think Tank’ of the Government of India. Following the guidelines of the National Education Policy (NEP) 2020 that included all the tech-related features focusing on artificial intelligence the most, Rainbow English Sr Sec School has included AI in the ATL curriculum. This new initiative of AI-ATL integration in curriculum will help in achieving the goal of NEP of developing 21st-century skills in students and preparing them for the fourth Industrial Revolution.

Objectives of the program:

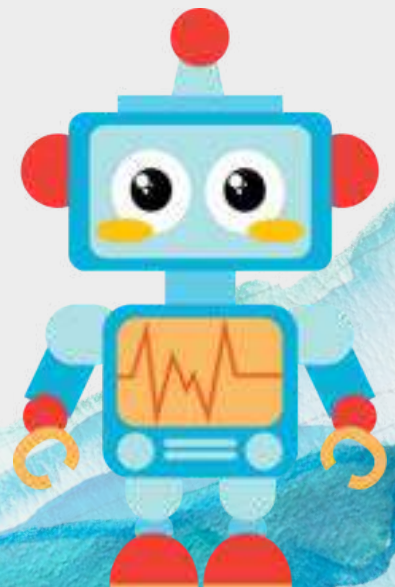

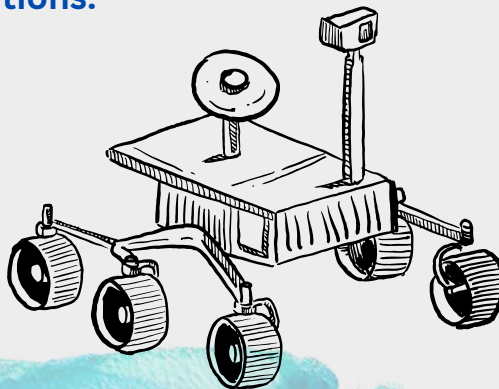

- To nurture spirit of innovation, invention & discovery in youth and develop a design mindset.
- To provide opportunities to students to demystify tinkering while using AI.
- To democratize skills of tinkering and AI and make it accessible for all.
- To enhance the learning outcomes of the students and make them future-ready.

Students of grade VI to XII have attended the Atal Tinkering Lab. They have shown interest in learning concepts and have explored their knowledge while working with circuits and components.

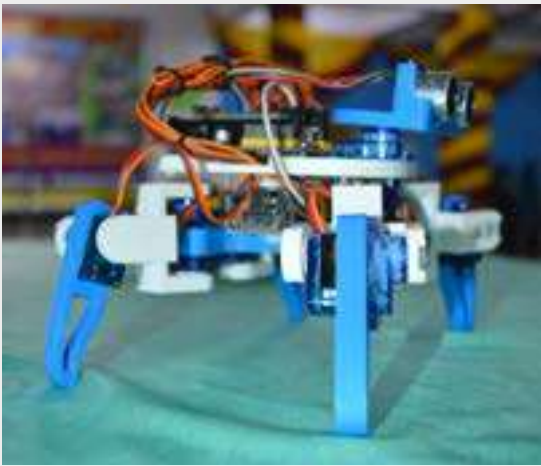

ATL students have participated in several Inter school ATL events and have successfully grabbed the top positions.

Projects Piloted in the ATL

- Smart car
- Smart dustbin
- Teaching Aid using 3D printer
- Projects using Paper Circuit
- Soil Irrigation System
- Line follower Robot

ECO CLUB

PLANTATION DRIVE

A Plantation Drive was conducted to raise awareness about the conservation of forest and sensitize the students to improve environmental conditions. School Principal Mr. Sourabh Kashyap planted a sapling and urged the students to grow more and more trees and save the environment as life is not possible without trees.

EARTH DAY

"Earth rejoices our words, breathing and peaceful steps. Let every breath, every word and every step make the mother earth proud of us." Rainbowites celebrated Earth Day by engaging themselves in various activities such as Hand prints, Headgears, Best out of Waste from plastic- Pen Stand, Globe on ball. In addition to taking the steps towards more sustainable living, Poster making and Slogan Writing competitions on different topics were organized by the Eco Club of the school. This competition was organized to promote ecofriendly product to spread awareness and encourage people to switch onto eco-friendly products like bamboo brush, jute bag, paper wrapping etc. to show our commitment to a greener future. A special assembly was also conducted by Eco Club students to spread the message to save Mother Earth.

SWACHHTA HI SEWA

Our School organised 'Swachhta hi Sewa' cleanliness awareness campaign guided by School Chairman Dr. J. R. Kashyap. Dr. Kashyap along with students and staff actively participated in cleaning the school campus and its surroundings, conveying the message of maintaining a clean environment.

TIDE TURNER A PLASTIC CHALLENGE

It's a moment of pride that our school got 5th rank out of 194 schools on the basis of impact report submitted under plastic pollution and challenge activities of Tide Turners Plastic Challenge 2023. Our school was one of the top 30 schools to attend the puppet workshop and got certificate and badge as a champion school for the same.

The puppet show presented during award event in front of the dignitaries from DOE and UNEP was recognized and appreciated by all.

School students actively participated and completed all the 3 levels by conducting various activities. Here are the glimpse of activities

USO

Young Scientist Challenge

USO had organised "young scientist challenge" 2023 for classes, VI - X in collaboration with UNESCO and CSIR.

Under this challenge students had to submit their sustainable and scientific ideas on the basis of SDG's goals. It was conducted under 3 phases. The first phase was conducted at school level, 15 students had submitted their entries, out of them the 3 best entries were sent to the organisations for the evaluation for phase 2. In phase 3, the organisations selected the best idea from all the students collectively. They had selected a total of 18 students, nationally, to submit their videos on the ideas.

From our school Arunangshu Lochav of class 6 had that privilege and bagged the 3rd position nationally.

He was awarded with a certificate, trophy, and a pendrive (64GB). The students were awarded with a participation certificate. The best 3 entries:

- 1) Arunangshu (VI)
- 2) Shaurya Sinha (VIII)
- 3) Kumar Pranav (X)

were felicitated with a certificate and a 64 Gb pendrive.

The Mentors Mr. Vijay Gupta and Ms. Sunaina Arora were also appreciated with a certificate and a pen drive.

Our school has also been appreciated for the successful conduction of the USO test and for achieving the milestones.

USO NATIONAL TEST

USO announced the result of National Test 2023, spanning classes 1st to 12th that was conducted in August. A substantial number of students participated, and have been awarded with certificates for their commendable efforts. Special recognition was given to the students who exhibited outstanding performance, secured 90% and earned national positions and brought laurels to the school. Merit holders achieving the 90% benchmark received certificates and medals which acknowledged their exceptional accomplishments. Furthermore, Four National Winners were awarded with certificates, medals, and stylish backpacks which applauded their remarkable achievements on a broader scale.

Third National Winner
Kavyansh Verma (1st Thinker)

Second National Winner
Yakshit Meena (11 Scholars)

Second National Winner
Advik Bassi (1st Achievers)

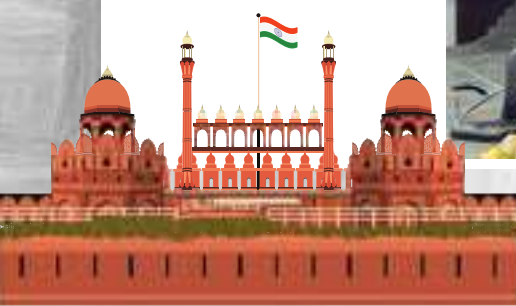

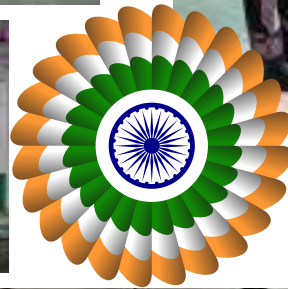

NATIONAL CADET CORPS (NCC)

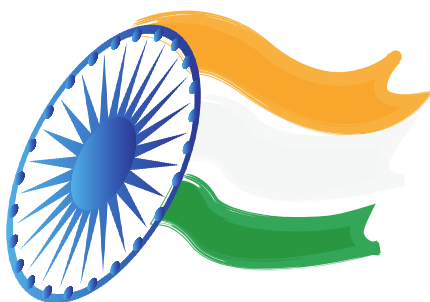

National Cadet Corps is a Tri-Services Organisation, comprising the Army, Navy and Air Wing, engaged in grooming the youth of the country into disciplined and patriotic citizens.

The Cadets are given basic military training in small arms and drill. The NCC is a responsive, learning and continuously evolving organization. It encourages cadets to have a sense of patriotic commitment, to contribute to national development, respect for diversities in religion, language, culture, ethnicity, life style and habitat. The NCC provides opportunities to the youth of the country for their all-round development with a sense of Duty, Commitment, Dedication, Discipline and Moral Values so that they become able leaders and useful citizens. The NCC provides exposure to the cadets through a wide range of activities, with a distinct emphasis on Social Services, Discipline and Adventure Training.

EXPECTATIONS**

Like a bird in the sky, our talented students keep flying, never stopping, always reaching new heights of achievement. Prince and Niharika achieved a momentous victory at the State Level Science Exhibition, held at Sarvodya Vidyalay, Saraswati Vihar from January 31 to February 2. They got second position with their stellar project under the sub-theme of Agriculture. Their exhibit served as our students' commitments to nurturing young minds for impactful contributions in various fields. Our students and their guide teacher, Ms. Garima were awarded with a sparkling trophy, certificates and medals. They will now participate and represent Delhi at National Level Science Exhibition. Kudos to our talented students and guide teacher for this momentous victory!

Promoting sportsmanship

To promote sportsmanship, MP sports festival, a mega event, was hosted by Rainbow English School, C-3, Janakpuri at a grand scale for 3 days from April 17 to April 19. This event was an initiative taken by Pravesh Sahib Singh Verma, Member of Parliament. The motive of this event was to search for talent in school going children. The school was the venue for two big events i.e., volleyball and rope skipping. More than 50 school students of West-Delhi participated and exhibited their talent in the categories of under 14 and under 18 (boys and girls).

Students were felicitated for their participation in the sports events.

Prem Singh, national and prime volleyball league champion graced the occasion with his benign presence. School principal Sourabh Kashyap greeted and welcomed all the distinguished guests with a bouquet of flowers and presented a shawl and a memento as a token of gratitude. School headmistress Sonia Kashyap gave a warm floral welcome to the eminent personalities. Pravesh Sahib Singh lauded the efforts and motivated the students for their energetic and enthusiastic participation. All the students were felicitated with a participation certificate. The students were in high spirits and their zeal for sports made the event a grand success.

Students of Rainbow English, Janakpuri, excel in two championships

The students of Rainbow English School, Janakpuri, took part in two competitions - 29th Sub-Junior and Senior National Thang-Ta Championship 2023 held in Ranchi (Jharkhand) & CBSE National Rope Skipping Championship 2023 held in Nashik (Maharashtra) - and made their institution proud by winning medals. In Ranchi, Pranav Chandel and Durga Bose won the gold medal, Vansh Patwal the silver and Saksham Sharma, Anurag Sahu & Ramya Sharma won the bronze. Raj Srivastava and Somya received the participation certificate. In Nashik, Harshit, Kartik Bhagwat, Varun Yadav & Aman Bathor clinched the silver.

Students were hailed for displaying sportsmanship spirit in the championships.

School chairman JR Kashyap, principal Saurabh Kashyap and chief guests Bhagwan Devi Dagar and Vikas Dagar, both international-level athletes, appreciated students for demonstrating sportsmanship spirit and blessed them for their future endeavours.
